MESSAGE FROM JAMPRO PRESIDENT

It gives me great pleasure to introduce JAMPRO's Exporter Directory for 2021-2023. This directory will give you a full look at Jamaica's registered exporters, their products, and their services - all in one place.

JAMPRO's Exporter database has companies from every sector and industry, and it connects you with the entities that are ready to engage and build meaningful business relationships. It provides the information you need in an accessible format, and it allows you to create linkages and partnerships with Jamaican brands.

We hope that this directory will facilitate opportunities to bring Jamaica's best to your market. Trade is critical to strengthening an economy, and JAMPRO's aim is to see more of it. That's why we have created systems such as this directory that will allow companies to connect, regardless of their location.

Jamaica has some of the most unique products in the world; whether they are hand crafted by a small manufacturer, or developed by a large company, the same level of quality can be seen in every item that leaves our shores. Take your time to peruse this directory to get to know these excellent products, and if you don't see what you need, contact us, we'd be more than happy to assist your buying journey.

Let's do business!

Diane Edwards
