SPARKLING

Jeio Prosecco

The Jeio line is inspired by the influential Desiderio Bisol, whose wife lovingly referred to him as Jeio. The father of the current owners, Desiderio is dedicated to product quality, acquiring only the steepest plots. While considerably more difficult to work, these plots are ideal for vine cultivation. As a result of his vision, the Glera cultivated in these vineyards is especially rich in malic acid, making the final wine more dynamic and evolved. Only the best Glera grapes are selected from Bisol's 35 plots in Valdobbiadene to make the highly aromatic Jeio Brut.

WHITE

Backberg Chenin Blanc

W.O. Coastal Region, South Africa
Certified Carbon Neutral

RED

Vina Robles Cabernet Sauvignon Paso Robles

This wine delivers loads of Paso Robles richness at a fair price, starting with lush aromas of black cherry, caramel and mocha cream. The palate starts soft and inviting, with more cherry and caramel, then firms up with tighter tannins and penetrating acidity.
