## ACROSS

1. The continent we live on - some indigenous oral histories refer to this landmass as TURTLE ISLAND
 the need to educate the public on the reasons for conservation. Don't be afraid! http://www.batscalgary.ca/
About 15 years ago we used to have them here. They hovered in front of my living room window every night. I sure miss them! I remember llona running down the lane as they followed her around in the twilight.

2. What I call for when I need a ride 'old school'. Also known as a cab.
3. The astrological sea creature designated to those born under the sign of Cancer. https://www.sciencekids.co.nz/sciencefacts/animals/crab.html
4. If you are a L.O.T.R. fan, you will know the aforementioned acronym, and you will know this fictional kingdom of men in Middle Earth https://lotr.fandom.com/wiki/Rohan
5. After a mosquito bites mel get an ___
$\qquad$ Why does that happen? - read about your immune system and histamines here https://www.medicalnewstoday.com/articles/320979 Interesting fact, during my radiation treatment, when my immune system was very low, or maybe it was focussed on fighting the radiation entering my body, mosquito bites did not bother me at all. THAT is how I knew I was pretty sick.
6. What most wildlife become as you approach them. Can't say I blame them!
7. The city we live in, know to the Blackfoot people as Moh-kins-tsis - sometimes the spelling differs
8. What direction to drive to visit Saskatchewan.
9. Who I call when I need a ride "new school" The name of the company is derived from the German word meaning "above all the rest," a principle the founding partners wanted for their new company.
10. We don't have this kind of snake that mythology says bit Cleopatra, but watch out on the bluff for the 'garter' variety that we DO have.
 website https://www.blackhistory.com/2020/07/atlantic-ocean-formally-called-ethiopian-sea-ocean.html
11. Mister, for short
12. 3.14159265359
13. What's between your unit and my unit.
14. A brass instrument, often appearing in marching bands
15. The blending of one color hue to another, usually moving tints and shades from light to dark. It's very popular to include this effect with your hair color if you are feeling showy!
16. An Orkney word for a person that owns land that has been directly from family. Don't we wish we had an $\qquad$ living here so that we could outright own this land we are built upon today?
17. I want to get rid of this! I will it with the pink end of my pencil.

279 Against
289. The beautiful pointy nosed bird with gold under the wings and spots on the back and some red on its head. Can be seen at the feeder behind 809 - see this link for a hint https://www.allaboutbirds.org/guide\#
305. Old timey for 'soon'
327. I'm hungry, let's __-
341. Taking a break
352. Where I keep my tools, or maybe how I describe a baby skunk or squirrel https://www.babyanimalprints.com/blogs/news/kits-and-cubs
366. Not fat
 in Haida Gwaii - and seems to mean "ocean" (a) area in the ocean near shore: chaansii. (b) off the ocean: siisguusd. (c) on the ocean: slísgw. (d) wide stretch of sea, wide inlet, ocean: sii. I think it is "sii"!!
379. Not "your" but "_ _ "
385. Care for a spot of ___ Grey tea? https://www.bostonteapartyship.com/tea-blog/who-was-earl-grey We'll never know the real truth, but interestingly the football cup here in Canada is named after a holder of the same title $\qquad$ Grey!
402. Short for 'father' in some places (see 379 down)
405. A fitting final word for the puzzle!!!

## DOWN

2. The capital of our country. The name $\qquad$ is derived from the Algonquin word "adawe", which means "to trade". The settlement was originally incorporated as Bytown in 1850. The name was changed to the current name in 1855. "Bytown" didn't last very long!!
3. Large woodpecker with a long beak $\qquad$ woodpecker. Can be seen at the feeder behind 809 - see this link for a hint https://www.audubon.org/news/how-tell-hairy-woodpecker-downywoodpecker\#:~:text=|f\ the\ bill\ is\ not,is\ almost\ 50\ percent\ taller.
 See this site for a hint - it's a painting of the bird by very famous artist Monet!!! And hanging at a very famous museum in France https://www.musee-orsay.fr/en/artworks/la-pie-715
 Montana, Wyoming, Colorado, and down to New Mexico in the U.S. They are part of the North American continental divide. https://www.britannica.com/place/Rocky-Mountains
4. The province we live in named after Queen Victoria's fourth daughter, Princess Louise Caroline $\qquad$ . The Princess was the wife of the Marquess of Lorne, who was Governor General of Canada in 1882 when the District of Alberta was created as part of the Northwest Territories.
5. A major industry in Alberta. We produce canola, wheat, dry peas, and barley, to name a few. Alberta Local Food week is August 13-20, 2023
https://albertalocalfood.com/\#::~:text=Alberta\ Local\%2OFood\ Week\ happens\ August\ 13\ \-\ 20\%2C\ 2023
6. The small unit of measure used before centimeters became the 'norm' on April 1, 1975.

 correct metric unit (Newton). Loss of the orbiter came at a steep price: $\mathbf{\$ 1 2 5}$ million US." I guess rocket scientists really need to be "rocket scientists" because it IS rocket science - and that was a very expensive mistake.
7. The name of our neighbourhood - it faces south so it must have been one of the sunniest neighbourhoods to earn the name. Learn more at https://www.heritageinspiresyyc.org/heritage-places/communities-hillhurst-sunnyside/
8. To some, it's the proper term for what we usually do to our food when we put it on the metal barbecue. Check here for an opinion on the difference https://www.foodfirefriends.com/grilling-vs-bba/
9. What you will see under the big top if you go to see KOOZA this summer. https://www.cirquedusoleil.com/
10. One of the fruit varieties growing in the urban forest next to the Community Garden. I also have these growing in my garden and they are super tasty, though tart!
 goals. We strive for both of the latter here at SHC .
11. Sunshine, rain, snow, wind, calm, fog, you name it. I like to say we have no seasons here in Calgary just $\qquad$ !!! https://www.livingin-canada.com/climate-calgary.html o the Department of Education, and the province's schoolchildren made the final choice. Good job kids! It's a beautiful flower.
12. Old-timey way to say 'three times' example: " $\qquad$ the brinded cat hath mewed" (Macbeth, 4.1.3) spoken by the first witch
13. Trendy boots - the price might make you go UGH!
14. Small woodpecker with a short-ish beak $\qquad$ ___ woodpecker. Can be seen at the feeder behind 809
15. The body of water that flows to the south of our lovely coop, next to Prince's Island. Can you guess where this water begins flowing and where it ultimately joins the sea (and how it gets there...it's a long and winding trip)? https://www.thecanadianencyclopedia.ca/en/article/bow-river
16. Lots of Calgarians do this down the Bow River every summer. They often disembark right here at the corner of 3 Street and Memorial Drive. https://www.lazydayraftrentals.com/
17. How some might take their steak on the Grill (see 44 Down for more about that)
18. Article in grammar (see 258 down for a related clue)
19. This makes my hair stand up when I rub it with a balloon, and gives me shocks in the winter when I walk on the carpet with socks on $\qquad$ electricity.
20. "one" or "an" in German
21. You can see the beavers building this over at Prince's Island Park. https://calgaryherald.com/news/local-news/calgary-photographer-captures-coyote-beaver-playing-at-princes-island-park In this exchange no one gets hurt!
22. Similar to or old-timey 'related to'
23. Easier word for Wapiti https://www.hww.ca/en/wildlife/mammals/north-american-elk.html
24. A short way of saying 'thanks', say it twice and it's a British "good-bye" or "see you later"
25. I want to get a good one in College or University https://gpacalculator.net/grade-conversion/canada/
26. What many come to Alberta to do https://goskialberta.com/
27. "I' in other words
28. Short for 'mother' in some places
