## ABOUT AIAS

The Adventist International Institute of Advanced Studies (AIAS) is a graduate-level Adventist educational institution that offers quality education while keeping the tuition at a great value. AIAS has three modalities: online learning, distance learning centers (DLCs), and on-campus full-time programs.

AIAS is located on a beautiful tropical campus 45.5 kilometers outside of Manila, the capital city of the Philippines. This location offers easy access to opportunities for mission trips and community outreach both locally and internationally, especially within the 10/40 window.

The AIAS community consists of over 200 graduate students from more than 80 countries all over the world. The faculty members come from 17 different countries. The teacher-student ratio is low, giving students the opportunity to work closely with their teachers. Typically, a class of 10 students will represent many nationalities that create access to a variety of insights and global perspectives. The AIAS alumni hold

prestigious positions throughout Asia and the world. They serve as teachers, pastors, world church leaders, university presidents, administrators, business executives, and health professionals. Many of the students come to AIAS to have a strong foundation as a benefit from world-class graduate training.

### RECOGNITION & ACCREDITATION

AIAS is recognized as a graduate educational institution of international character by the government of the Republic of the Philippines, as certified by the Commission on Higher Education (CHED) pursuant to Presidential Decree No. 2021. The institution and all its programs are accredited by the AAA. In addition, the Graduate School programs are accredited by PAASCU and those from the Seminary by ATESEA.

### THE AIAS ADVANTAGE

Aside from education, there are various benefits of living on a campus filled with students and their families.

*"AIAS provides a wholesome experience by developing each person academically, spiritually, mentally, and physically."*

Living on campus gives you opportunities to experience a rich cultural diversity of friends, thoughts, and activities. Here, you will be able to meet fellow students from every continent except Antarctica. The diversity allows students to unite and gain knowledge from other cultures.

AIAS has a family-friendly environment where you will be able to see children of different age groups from various countries interacting and freely playing together. This develops cultural awareness and appreciation at an early age. Parents maintain a peaceful mind while focusing on studying as the walled campus has a secure entrance.

AIAS has an abundance of opportunities for one to grow spiritually, whether it is through prayer meetings, Sabbath worship programs, or church ministries off-campus. There are many other opportunities that will allow you to both receive a blessing and be a blessing.
