

Hi Kids,

Jesus is such a special Friend to me, and each day I pray I can reflect even a little bit of His character. Jesus desires more than anything to be your Friend, and for you to live for Him.

It is my hope that you enjoy a sample of the many resources we have available at 3ABNkids.tv to help you increase your desire to be like Jesus. When Jesus is living in your heart, your love for others will shine through.

I enjoy hearing what you are doing for Jesus, so be sure to write me with your parent's permission. There are many opportunities to be a part of our programming and recordings, even remotely. Send me your stories, questions, and photos to kids@3abn.org. I love to see how you are growing to be like Jesus!
