

# NORTHERN CARIBBEAN UNIVERSITY

*A Seventh-day Adventist Institution*

**College of  
Humanities,  
Behavioural and  
Social Sciences  
Department of  
Graduate Psychology**

## *Master of Science* **in Counselling Psychology**

The Masters of Science in Counselling Psychology is designed to prepare counsellors to work in a variety of contexts, including schools, industrial settings, and mental health facilities.

The programme confers on the graduate students theoretical and practical skills, which will enable them to

- Help clients to think through their issues and find appropriate solutions
- Develop, implement and evaluate the efficiency and utility of interventions that are designed to ameliorate individual, family and/or social problems.

*The programme is  
competitively priced  
and multidisciplinary.*

**APPLY  
TODAY!**
