The **Global Center for Adventist-Muslim Relations (GCAMR)** is a service of the Seventh-day Adventist Church. Its purpose is to help Adventists build bridges of understanding with the Muslims in their circles. Muslims, like Adventists, are most interested in living their life in accordance with God's will. Together, we can begin a journey of spiritual progression, which will lead to the straight path.

GCAMR resources include **Books** and **Study Guides**. We can also provide you with **Consultations, Seminars, and Training** complete with a **Training Manual** and **Workbook**.

Please email us if your local church would like to have
a weekend training for Muslim outreach.
