

EDUCATION BEYOND YOUR EXPECTATIONS

...Not Beyond your Dreams

RIGHT HERE, RIGHT NOW

at Southwestern Adventist University

INTRODUCTION TO SUCCESS

Walking through the Mizpah Gate signals the beginning of your academic journey at SWAU. Everything you need to be successful is placed in your pathway—you just need to pick it up. We will be your mentor, your coach, your counselor, your prayer warrior and your friend.

FAITH

Everything we do on campus extends from our faith in God. That's because our goal is to help students trust God in every aspect of their lives: their academics, their relationships, their plans and dreams and their challenges. It's who we are and it's how we roll.

KNOWLEDGE

It's not just about how knowledgeable our professors are, or even how smart we think you are. It's what happens when we get everyone together in the classroom. Magic (AKA education) fills the room, and your life.

SERVICE

Funny thing about service, it not only helps those in need, but those who serve as well. Ask our hundreds of students who love doing it every year. It begins on campus and flows out to our community and beyond.

DISCOVER

All your life you've been told about your potential, that someday you'll learn to tap into it and find out who you really are. We're here to help you discover your potential and how to meet it with the right career after graduation.

FIND YOUR PLACE

Whether you're thinking about late-night pizza parties in the dorm, studying in the library, playing Disc golf at the duck pond, in-depth conversations with professors, or sharing Friday night vespers with your friends, there's a you-sized hole waiting to be filled at SWAU. Come join us and discover your place in our family.
