NO KIDDING!

GIFT A Many children live on farms and help their parents take care of barn animals like goats. These goats provide milk and cheese. The yummy cheese can be eaten or sold at the market year-round so that no one in the family ever goes hungry. As the goats have babies, the farm will start to grow! If you team up with your friends and each buy a share, you can give a family a goat!

DON'T MISS THIS EGGS-ELLENT GIFT

GIFT B Can you imagine your whole family living on just \$1.50 a day? You can probably find that much change hidden between your sofa cushions right now. There are many reasons that families must survive on so little, but you can make things easier by choosing this gift. Chickens and their eggs can be sold at the market so families have more money for food, clothes, and other necessities.

WATER FOR EVERYONE

GIFT C You can help dig a well! In many countries, kids don't have clean water to drink. Sometimes they have to dig in the ground for hours to find enough water to fill one bucket. In other places, kids have to drink dirty river water. Yuck! And it often makes them sick. You can be the hero who gives other kids clean drinking water so they can stay healthy and hydrated.

THEIR HOME IS WHERE YOUR HEART IS

GIFT D You can make all the difference in the world to an orphan today. Many orphans are alone and have to provide for themselves. ADRA needs your help to give food, education, and shelter to kids who don't have any parents to help them. Your gift is *just* what they need!

LET'S DO LUNCH

GIFT E Many kids in Madagascar don't have regular meals like we do. Instead, they have to search for what they can find in nature. They often eat the fruit of cactus when they're hungry. Some kids in Swaziland have only a small bowl of cornmeal porridge for the whole day. You can give them warm, delicious meals at school so they don't have to go through the day hungry.
