

AMERICAN COLLEGE OF SURGEONS
DIVISION OF EDUCATION

Greetings!

We are processing your submitted CME Application for the Trauma, Critical Care, & Acute Care Surgery 2024: Mattox Vegas TCCACS 2024 beginning on 04/15/2024 to the American College of Surgeons' Continuous Professional Development Accreditation (CPDA) Section. **Please retain this email for future reference.**

The educational activity is eligible for CME credit and qualifies for 25.00 *AMA PRA Category 1 Credits™*.

*Of the AMA PRA Category 1 Credits™ listed above, a maximum of 5.25 hours meet the requirements for Ethics**

*Of the AMA PRA Category 1 Credits™ listed above, a maximum of 2.50 hours meet the requirements for Pain Management**

*Of the AMA PRA Category 1 Credits™ listed above, a maximum of 4.50 hours meet the requirements for Professional Responsibility**

*Of the AMA PRA Category 1 Credits™ listed above, a maximum of 4.00 hours meet the requirements for Pediatric Trauma**

*Of the AMA PRA Category 1 Credits™ listed above, a maximum of 25.00 hours meet the requirements for Surgical Critical Care**

*Of the AMA PRA Category 1 Credits™ listed above, a maximum of 24.00 hours meet the requirements for Trauma**

*Of the AMA PRA Category 1 Credits™ listed above, a maximum of 3.50 hours meet the requirements for Geriatric Surgery**

*Of the AMA PRA Category 1 Credits™ listed above, a maximum of 25.00 hours meet the requirements for Emergency General Surgery**

*The content of this activity may meet certain mandates of regulatory bodies. Please note that ACS has not and does not verify the content for such mandates with any regulatory body. Individual physicians are responsible for verifying the content satisfies such requirements.

The summary of the pending credit for the activity is as follows:

Credit Summary	CME	Self-Assessment	Mandates
Apr 15, 2024			
TCCACS Review/Preview 2024	0.25		.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Massive Transfusion _ When is it Too Much?	0.25		.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Meshing Around: Mesh Selection and Utilization in High-Risk Hernias	0.25		.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Just Say No to Angio: The Dark Side of Angioembolization for Solid Organ Injury	0.25		.25 - Emergency General Surgery, .25 - Pediatric Trauma, .25 - Surgical Critical Care, .25 - Trauma
Scan Them All? Selective versus Universal Screening for Blunt Cerebrovascular Injury	0.25		.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Pelvic Fractures: Pelvic Binders, Preperitoneal Packing and Other Myths!	0.25		.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Pediatric and Adult High Grade Pancreatic Injuries: Is to Cut Still to Cure?	0.25		.25 - Emergency General Surgery, .25 - Pediatric Trauma, .25 - Surgical Critical Care, .25 - Trauma
The K-Hole: Prehospital and ER Ketamine Indications and Complications	0.25		.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Session 1 - Hot Topics Panel Discussion	0.50		.5 - Emergency General Surgery, .5 - Pediatric Trauma, .5 - Surgical Critical Care, .5 - Trauma
Case Management Session	1.50		1.5 - Emergency General Surgery, 1.5 - Surgical Critical Care, 1.5 - Trauma, 1.5 - Ethics
Necessity As The Mother Of Invention: Innovation And Health Challenges From COVID-19 To 'Bionic' Arms	1.00		1 - Emergency General Surgery, 1 - Surgical Critical Care, 1 - Trauma

Open Exposure - Popliteal Vessel	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Take Back the Duct: Laparoscopic Common Bile Duct Exploration	0.25	.25 - Emergency General Surgery, .25 - Geriatric Surgery, .25 - Surgical Critical Care
Complicated Diverticulitis: Cut to Cure?	0.25	.25 - Emergency General Surgery, .25 - Geriatric Surgery, .25 - Surgical Critical Care
Initial Burn Resuscitation	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Battle of the Bulge: Lumbar and Flank Hernias	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Dangerous Passage: Penetrating Neck Injuries and the "No-Zone" Approach	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Fasciotomy - Start to Finish: Avoiding the Pitfalls	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Rib Plating: Is It Time to Slow Your Roll?	0.25	.25 - Emergency General Surgery, .25 - Geriatric Surgery, .25 - Pain Management, .25 - Surgical Critical Care, .25 - Trauma
Bleeding Kids: Optimal Resuscitation for Pediatric Patients in Hemorrhagic Shock	0.25	.25 - Emergency General Surgery, .25 - Pediatric Trauma, .25 - Surgical Critical Care, .25 - Trauma
Fluorescence Imaging for the Acute Care Surgeon: Biliary, Bowel, and Beyond	0.25	.25 - Emergency General Surgery, .25 - Pediatric Trauma, .25 - Surgical Critical Care, .25 - Trauma
Plasma in Burns - What's Old is New Again	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
New Airway Tools and Techniques: Prehospital and Emergency Department	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Factor Concentrates, Freeze Dried Plasma, and Other Novel Adjuncts to Damage Control Resuscitation	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Surgical Nostradamus: The Future of AI and Machine Learning in Acute Care Surgery	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma

Panel Discussion - Session 5 New Techniques and Technology	0.25	.25 - Emergency General Surgery, .25 - Pediatric Trauma, .25 - Surgical Critical Care, .25 - Trauma
Meet the Masters: TCC & ACS Exciting Opportunities	1.00	1 - Emergency General Surgery, 1 - Professional Responsibility, 1 - Surgical Critical Care, 1 - Trauma
Apr 16, 2024		
Go BIG or Go Home: Implementing BIG Guidelines at Your Center	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Dry Land Drownings: Fluid Overuse in Sepsis Resuscitation	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Managing Severe Pulmonary Contusions	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Trach or Wait? Early vs Late Tracheostomy in the Trauma ICU	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Failing Kidneys: Renal Replacement Therapies in the ICU	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Chill Out: Delirium & Sedation in the Critically Ill Acute Care Surgery Patient	0.25	.25 - Emergency General Surgery, .25 - Pain Management, .25 - Surgical Critical Care, .25 - Trauma
Updates in TBI Management: Brain Oxygenation, MMA Embolization, and New Protocols	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
ICU Nutrition: Stuff Em or Starve Em!	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Ethical Challenges in the ICU	0.25	.25 - Emergency General Surgery, .25 - Ethics, .25 - Geriatric Surgery, .25 - Surgical Critical Care, .25 - Trauma
Double Jeopardy - Billing for ICU Consults	0.25	.25 - Emergency General Surgery, .25 - Ethics, .25 - Professional Responsibility, .25 - Surgical Critical Care, .25 - Trauma
session 7 - critical trauma/critical care treatment panel discussion	0.50	.5 - Emergency General Surgery, .5 - Ethics, .5 - Geriatric Surgery, .5 - Pain Management, .5 - Professional Responsibility, .5 - Surgical Critical Care, .5 - Trauma

Plugging the Perf: Managing the Complicated Peptic Ulcer Perforation	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Ventral Hernia and the Hostile Abdomen: Robotic eTEP to the Rescue!	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
When to Call IR	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Cut to the Core: Pulmonary Hilar Injuries	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Junctional Vascular Injury: External Iliac to Common Femoral Artery	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Biliary Obstruction: Surgical Options When ERCP Fails	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care
Backed Into a Corner: Damage Control Surgery in the Rural or Austere Setting	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Session 8 - Houdini Session Panel Discussion	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Are Pigtailed All They Promised?	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
TXA: Is the Story Complete	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Stop the Clot: VTE Prophylaxis Update	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Incisional Wound Vacs: Do They Live Up to the Hype?	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Perianal Emergencies for the Acute Care Surgeon	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Implementing a Robotic Program in a Community Hospital	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Getting to the Heart of the Matter: Pericardial Exploration	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Case Management - Strictly Rural	1.25	1.25 - Emergency General Surgery, 1.25 - Surgical Critical Care, 1.25 - Trauma

Infected Mesh: Preserve, Remove, or Replace?	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Infected Hardware and Vascular Prostheses	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Taming the Beast: How to Approach EC Fistulas	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Bowel Obstruction in the Post Bariatric Surgery Patient	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care
REBOA Complications and Pitfalls	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Session 11 - Complications of Trauma & Acute Care Surgery	0.50	.5 - Emergency General Surgery, .5 - Surgical Critical Care, .5 - Trauma
Apr 17, 2024		
You've Been Served - Dealing with Malpractice Issues and Lawsuits	0.25	.25 - Emergency General Surgery, .25 - Ethics, .25 - Professional Responsibility, .25 - Surgical Critical Care, .25 - Trauma
How to Recruit, Retain, and Compensate in the Rural Setting	0.25	.25 - Emergency General Surgery, .25 - Professional Responsibility, .25 - Surgical Critical Care, .25 - Trauma
Entrustable Professional Activities: Ready or Not, Here They Come	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Use of APPs to Strengthen the Practice and Continuum of Care	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Standing with Ukraine: Collaborations to Support Frontline Surgeons	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Session 13 - HC Cleveland Contemporary Issues in Trauma, Critical Care, & Acute Care Surgery - Panel Discussion	0.25	.25 - Emergency General Surgery, .25 - Ethics, .25 - Professional Responsibility, .25 - Surgical Critical Care, .25 - Trauma
Annual ACS Debate #1 - Just Say Yes to All Transfers	0.50	.5 - Emergency General Surgery, .5 - Surgical Critical Care, .5 - Trauma
Annual ACS Debate #2 - Interosseous is the safe, effective method for initial administration of fluid and blood	0.50	.5 - Emergency General Surgery, .5 - Surgical Critical Care, .5 - Trauma

Human Trafficking: How to Detect? What to do?	0.25	.25 - Emergency General Surgery, .25 - Pediatric Trauma, .25 - Surgical Critical Care, .25 - Trauma
Second Victim Phenomenon	0.25	.25 - Emergency General Surgery, .25 - Professional Responsibility, .25 - Surgical Critical Care, .25 - Trauma
Facing Futility: When to Say When in Kids and Adults	0.25	.25 - Emergency General Surgery, .25 - Ethics, .25 - Geriatric Surgery, .25 - Pediatric Trauma, .25 - Surgical Critical Care, .25 - Trauma
Three's a Crowd: Proliferation of Trauma Centers	0.25	.25 - Emergency General Surgery, .25 - Surgical Critical Care, .25 - Trauma
Victory out of Tragedy: Organ Donation Challenges	0.25	.25 - Emergency General Surgery, .25 - Ethics, .25 - Surgical Critical Care, .25 - Trauma
Session 15 - We Have Met the Enemy...	0.25	.25 - Emergency General Surgery, .25 - Ethics, .25 - Geriatric Surgery, .25 - Pediatric Trauma, .25 - Professional Responsibility, .25 - Surgical Critical Care, .25 - Trauma
Session 16 - Commentary on and Review of Lessons Learned	1.50	1.5 - Emergency General Surgery, 1.5 - Ethics, 1.5 - Geriatric Surgery, 1.5 - Pain Management, 1.5 - Pediatric Trauma, 1.5 - Professional Responsibility, 1.5 - Surgical Critical Care, 1.5 - Trauma

The next step in the CME process requires the following action:
