

## Working Remotely: An NPD Team Guide

**Practice Gap:** There is a lack of knowledge regarding team building strategies for NPD practice in a fully remote work environment.

- List two to three effective communication modes for remote work.
- How is socialization promoted in remote work environments?
- How is well-being promoted in remote work environments?
- What are some structures used to promote communication between remote system-level NPD teams and local NPD practitioners?
- What benefits can remote NPD practitioners and teams provide?
- List two to three key considerations for pursuing a remote NPD position.
