Life Coach

As a Coach I help people looking to make a change in their lives understand the blocks that are in their way and design plans that create measured results.

- Worked thousands of people through transitions in life, career, and relationships.
- Recruited to coach Innovators in Silicon Valley and Artists at the Sundance Institute
- Formed a Personal Development community that has reached hundreds around the world and featured speakers from Bestsellers to Oscar Winners.

Workshop Facilitator

As a facilitator, I design and host events geared for building confidence, creating connection, and developing leadership.

- Designed and hosted workshops for elite companies such as Google
- Keynote speaker at multiple conferences
- Hosted workshops internationally for over 4 years

● Outco Inc.
