

the Higher Education eLearning Technologies International Conference (HiETeC-2024)

ABSTRACTS

General Information

You are invited to submit an abstract for presentation at the Higher Education eLearning Technologies International Conference, 2024 (HiETeCH-2024) to be held on 21-23 February 2024 at Daystar University, Nairobi, Kenya. Each applicant may maximally submit three abstracts. There is no limitation to the number of co-authorships. The abstracts must be written in English.

Oral presentations will be made during concurrent sessions. Oral presentations will be 10 minutes followed by 5 minutes for discussion.

Submission

All abstracts must be submitted online via the submission form not later than 10-02-2024. An abstract must be submitted by its first author. Once the abstract is submitted, no changes in the online form will be allowed, but if circumstances demand the presenter can be changed later. The receipt of your abstract will be confirmed by email from hietec2024@daystar.ac.ke. Only complete abstracts forms will be considered.

Evaluation

The submitted abstracts will be reviewed by the HiETeC-2024 Review Committee. Applicants will be informed of the outcome latest 10-02-2024. All notifications will be sent to the hietec-2024@daystar.ac.ke email address. The decisions of the Abstract Review Committee are final.

Abstracts will be analyzed with text similarity detecting software. If a substantial part of the abstract has been published or submitted elsewhere this needs to be declared on the abstract form. These abstracts may still be accepted but might get lower priority. If you used a tool like ChatGPT for the describing the work contained in the abstract that needs to be stated and motivated on the abstract submission form.

Registration

All presenters of accepted abstracts must register before the deadline of the early registration on 21st February 2024. If the presenters have not registered by 21st February 2024 the abstract will not be included in the conference program and not be included in the abstract book.

Dissemination of Abstracts

Accepted abstracts will be bundled in a digital abstract book (in PDF format) and posted on the conference website. After the conference, the abstract book will remain available on the Conference page <https://www.hietec-conference.org/>

Presenters for oral presentations are asked for permission to post a PDF format of their PowerPoint presentation after the conference on the conference website, which will later be transferred to the conference website.

Cancellation

If your abstract has been accepted but circumstances prevent your attendance, please ask a coauthor to present who has also registered for the conference and notify the Conference Secretariat at hietec-2024@daystar.ac.ke about this change as soon as possible. If cancellation is unavoidable, please contact the Conference Secretariat immediately to remove your abstract
