

ABORIGINAL MARKETPLACE VIRTUAL NETWORKING PLATFORM

2020 DELEGATE MEMBERSHIP INFORMATION

Become a Delegate Member of Canada's most innovative
Aboriginal/private sector business networking platform!

WELCOME TO OUR VIRTUAL NETWORKING PLATFORM

//Connecting Indigenous Business with Global Industry Partners//

Join our virtual marketplace to connect with over 20,000 Key Decision Makers from Aboriginal and Private Sector business groups!

// With COVID-19 causing us to reschedule our face-to-face networking conferences, we decided we needed to find a solution to continue our important mandate of fostering equitable partnerships, joint-ventures and supplier opportunities between Canada's Aboriginal business groups and private sector companies. We're confident we've created a great solution.

Welcome to our amazing Virtual Aboriginal Marketplace!

Geoff Greenwell, CEO | 2G Group & Aboriginal Marketplace

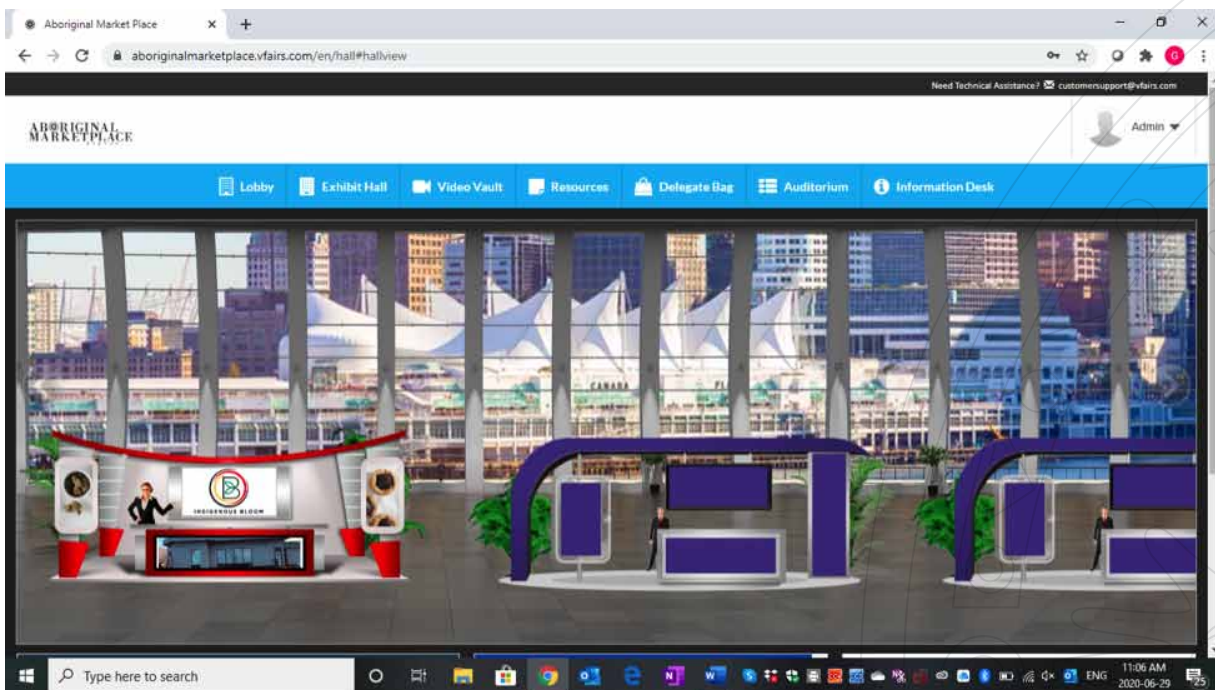

Some Key Features of the Platform:

- The platform is always open – 365-24-7
- 12 "Live" themed Conference Days throughout the year with focused discussions
- Contact any of the thousands of marketplace members with just one click
- Live chat, either one-on-one, or connect with larger groups
- Watch informative presentations, videos and webinars at your convenience
- Massive exposure opportunities for sponsors and exhibitors
- Incredibly cost-effective way for exhibitors to market their products
- Huge cost and time savings over having to travel to conferences
- Visitors can download all information on the site into their "virtual delegate bags"
- Post and review RFPs, Tenders and EOIs from hundreds of organizations
- Join our regular "virtual golf tournaments"
- The ability to do business from the safety of your home or office

**ABORIGINAL
MARKETPLACE**
EVENTS

Our virtual tradeshow offers great networking contacts.

We have over 100 exhibitors already registered for the platform and their information is being uploaded in early July. **When a Delegate visitor clicks on a booth all information from that organization can be downloaded into your "Virtual Delegate Bag."**

The outside of the building and the lobby are animated with the avatars moving around and chatting with each other to give visitors more a feel of actual live participation.

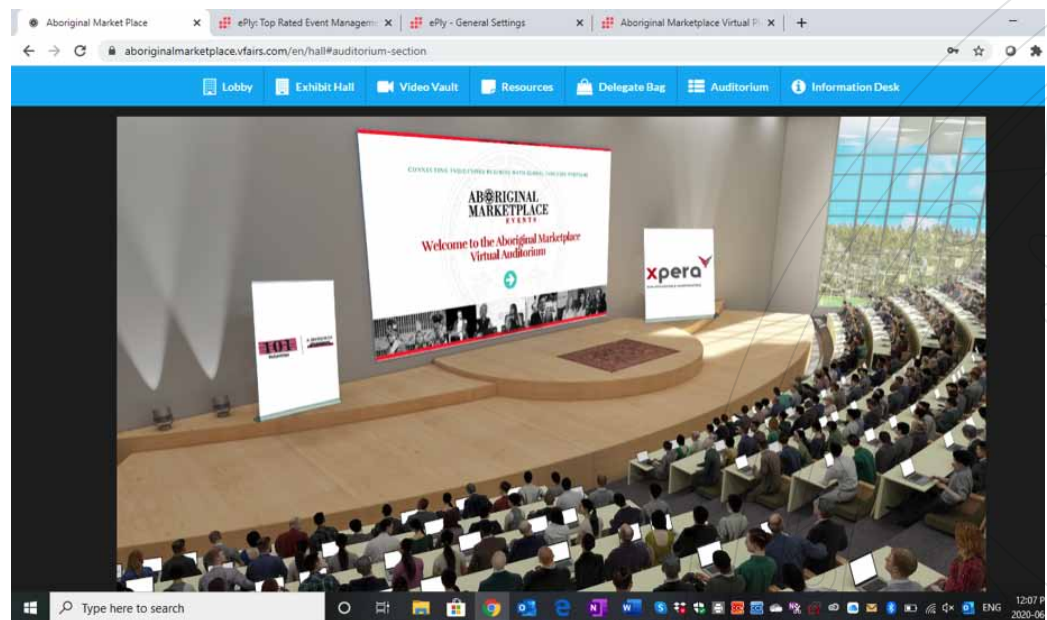

Our goal is to drive as much traffic as possible through the virtual tradeshow and auditorium daily and with our **database of over 25,000 relevant contacts** we expect the visitor statistics to be very strong.

Every First Nation in Canada and hundreds of Aboriginal business groups will be invited into the platform daily.

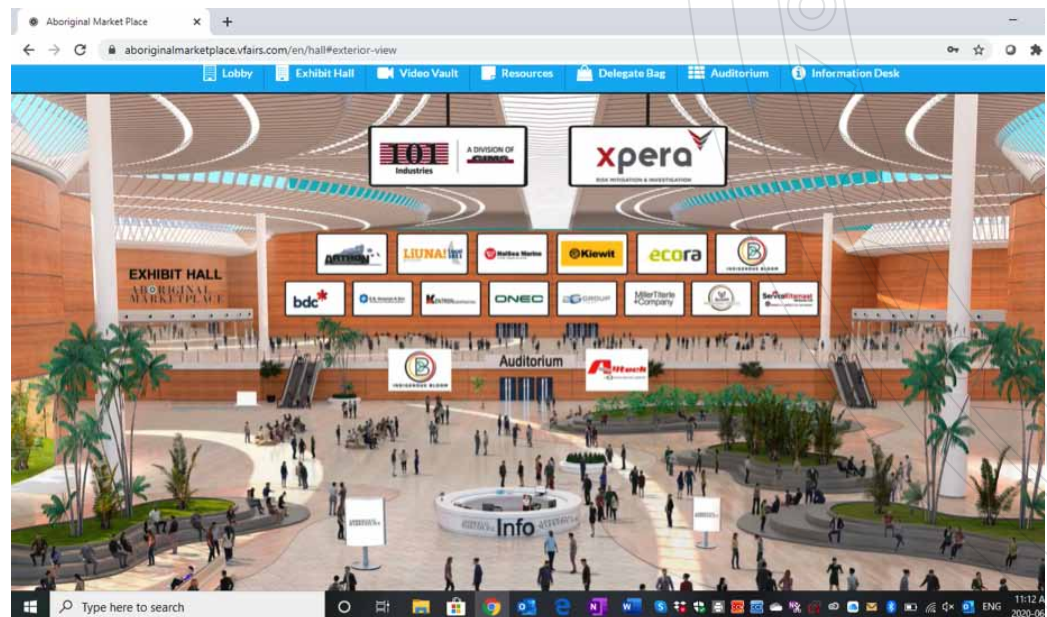

**ABORIGINAL

EVENTS

Our virtual auditorium will show both live and pre-recorded presentations, speeches, webinars and also showcase Aboriginal performers.

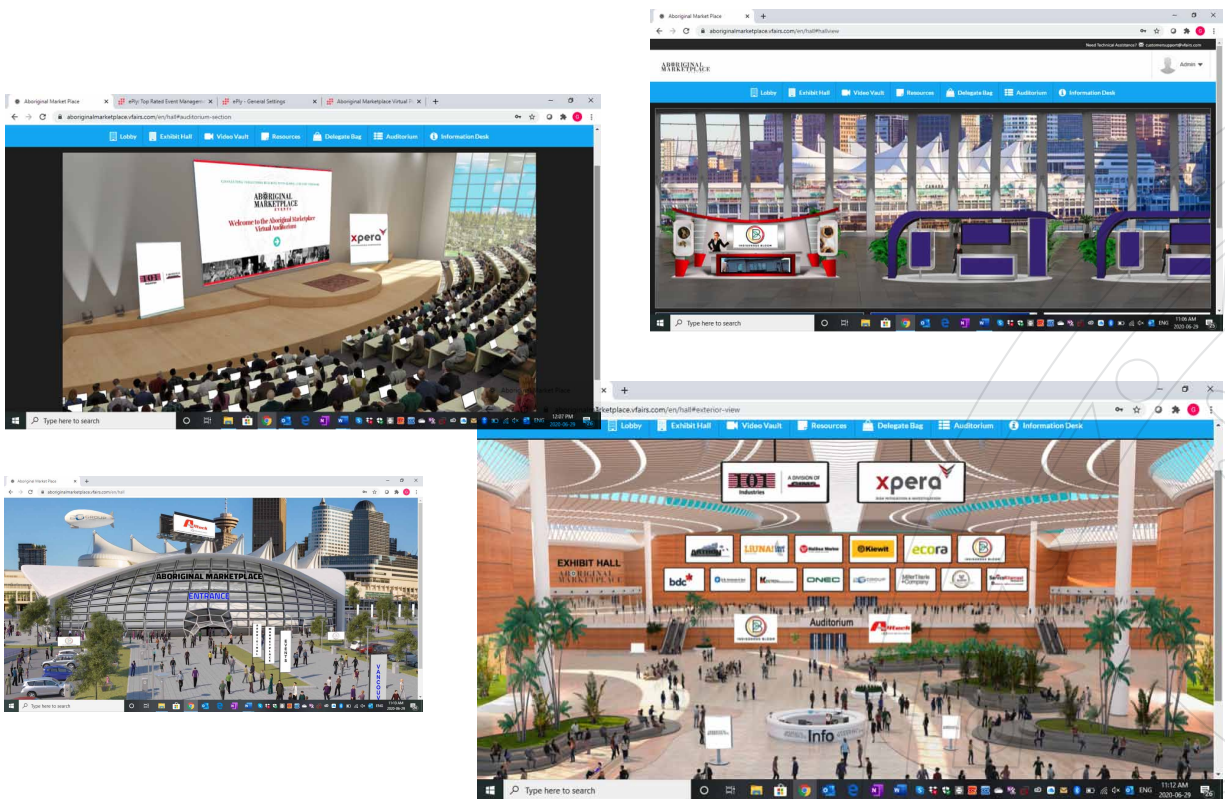

Our virtual lobby offers great signage opportunities for sponsors.

ABORIGINAL MARKETPLACE EVENTS

We will be having 1 “live” conference day every month for the next 12 months. These conference days will be themed with important and relevant topics such as “Pipelines”, “LNG”, “Cannabis”, “Structuring Partnerships” etc.

All platform members will be sent a **detailed agenda** ahead of each monthly “live” conference day.

Hundreds of delegates will attend these live days and will be able to visit our virtual tradeshow and view all auditorium presentations.

Everyone who already registered as a delegate for one of our 2020 events has automatically been given a one-year membership to the platform.
