

Communicate

Transparent
dialogue between
clinicians and
veterans
regarding risks
and concerns

In-depth hearing
evaluations prior to
enlistment, including
patient questionnaires
and mental health
screenings

Discovering what
works and what
doesn't

Innovate

Did you know?
3M hearing protection is the
standard for Military grade
hearing protection was sued
for defective equipment?

Create
appropriate,
effective, and
timely hearing
protection

Did you know?
In 2020, 1.3 million veterans
sought disability compensation
for hearing loss, while
2.3 million receive
compensation for tinnitus

Educate

Promote methods of
self-management,
encourage Progressive
Tinnitus Management
(PTM)

Establish effective
enforcement of adequate
hearing protection

Prevalence of
noise exposure and
ototoxicity
