Current Uses for Page 8

Patient Registration clarification and documentation re patient registration duties

Patient Benefits Coordination – Status on alternate resources applications, etc., (what is the etc.?)

PRC – Alternate resources, current situations, docu

Clinical staff: Patient calls, cancellations? Prior Authorizations? (This is on a tab in BPRM with view capability for Billing)

Policy for Cleansing?

Is there a policy for documentation?

Is there a policy for a schedule for cleaning out old information?

Is anyone capable of deleting information?

Patient Reg needs

Patient Benefits needs

Purchased and Referred Care needs

What if?

There was no page 8?

What are the alternatives?

Are we using this free text field wisely and optimally? Or has this become a catch-all?
